

Breeding Contract

I hereby confirm my reservation to the stallion

Wasabi M licensed with CWHBA and CSHA

For the breeding year of 2007

I understand and accept the following terms:

1. Fees

a. Cooled Shipping Semen: Stud fee of \$1,200cnd plus 6% GST (for Canadian residence only) includes non-refundable booking fee of \$300.

Booking fee due upon execution of this contract, balance to be paid prior to shipment of semen.

Collection fee of \$250cnd plus 6% GST (for Canadian residence only) would be charged each time we collect and has to be paid with balance of the stud fee. The first collection fee is not included in the stud fee. There is a live foal guarantee with cooled shipping semen.

Collection schedule is Monday-Wednesday-Friday and the stallion owner requires 24 hour notice to set-up appointment. If you need a weekend breeding make sure we have a collection Friday that you can use for a Saturday or Sunday breeding.

There is a charge of \$500 for Equitainer. The Equitainer must be returned in good condition (Equitainer must be shipped back in 2 business days). After receipt that the Equitainer is in good condition we will refund the deposit of \$500 for the container.

The Equitainer's shipping is to be paid by the mare owner.

Please provide us with your FedEx no: _____

b. Frozen Semen: Fee on request. Mares must be inseminated by a qualified veterinarian. There is no live foal guarantee on frozen semen.

2. Contract

This is a live foal guarantee given the following conditions:

- a. A live foal is one that stands and nurses within 4-8 hours of foaling.
- b. A mare must have at least 3 anti-abort shots throughout the course of gestation and perhaps a veterinary certificate must be required.
- c. There must be due care taken at the time of foaling.
- d. In the event of a dead foal, verbal notification must be immediately and a veterinary certificate must be issued within 24 hours.
- e. Once the above criteria are met, a return breeding is given, this must be used within one breeding season.
- f. It is further agreed that should the stallion die, sell, or be unfit for breeding, then this contract is null and void.
- g. The stallion breeding certificate for registration will be issued when the mare is in foal.
- h. The LFG is not applicable to frozen semen.
- i. The stallion owner reserves the right to negate the live foal guarantee in the case of inappropriate broodmare management.

3. Mare Care

- a. You provide a negative "equine infectious anemia" (Coggins Test)
- b. In the event of an emergency, if a veterinarian or farrier is required for the mare and foal, these services will be paid at the mare owners expense.
- c. Mare care is \$20 per day plus 6% GST.

I/We hereby agree to breed the mare:
